

ROTATION RULES

During open play, all members and guests are to follow the Rotation Rules posted on this Rotation Board.

-  You must put your Membership ID Card (the one with your photo on it), Member Tag, or Guest Tag on the Rotation Board to play on the courts. Please do so whether or not there are people waiting to keep the courts in rotation. This allows players who just arrived to see which courts are available for play.
-  The rotation rule is to play two (2) games to 21 points and then rotate off. If there is a timer on the court, such as on Courts 3, 4, and 5, start the timer when you step onto the court. You have 20 minutes on the court.
-  If you are not playing games, you **must** wait for a court with a timer.
-  Once your time is up on the court, you must check the Rotation Board to see if anybody is waiting. This gives everybody a chance to use a different court, and players a chance to mix it up with other players.
-  You may only play **ONE (1) game to 21 points of singles** on the doubles courts. You may only play two consecutive singles games to 21 points on Court 11, which is dedicated to singles play.

HOW TO LINE UP FOR A COURT

-  Place your Membership ID Card, Member Tag, or Guest Tag on the next available (far left) peg in the Waiting Queue on the Rotation Board.
-  When there is an open court, move your Card or Tag to the corresponding available Court number on which you'd like to play, located above the Waiting Queue.
-  If there is a timer on the court, start the timer once you're on the court. You have 20 minutes on the court.
-  If there is no timer on the court, you may start your game after a three (3) minute warm up.
-  Vacate the court once you've completed two games to 21 points or when the timer reaches "0:00", and remove your Card or Tag from the Rotation Board. The timer will start flashing the remaining time when you have 30 seconds remaining.
-  If you'd like to line up for a court again, place your Card or Tag back in the Waiting Queue on the Rotation Board.

If you do not have a Card or a Tag to place on the Rotation Board, please see the Front Desk for one. If you've lost your Membership ID Card, please purchase a replacement at the Front Desk. If you've forgotten your Card at home, please see the Front Desk for a temporary Member Tag.
